The Best of FOOT WORSHIP

The Magazine for Foot and Shoe Lovers

Tender tootsies . . . tickled and worshipped!

They used feathers and tongues to tease their helpless peds!

TENS OF FUN

The following pages are meant to illustrate the love and devotion of foot worshippers. The look in their eyes (look up will you), that is obvious here is what we are all about. Digit dipping is good, clean wholesome fun; depending on your preference, of course. Regardless of whether you like your feet big or small, black, yellow or white, long-toed or short, painted or natural, smelly or perfumed, it is the love of feet that we care about. While we strive in every publication to please all our readers, the nuances and vagaries make that difficult. We hope you will go with the flow and try to enjoy each publication even if your particular fetish is not there. We know some of you aren't into bondage but others are. So be kind, be patient and perhaps one issue will be slanted more to your liking. Let us hear from you, too. That way it's easier to satisfy most of you. And send us any spare photos you may have to share with all of us.

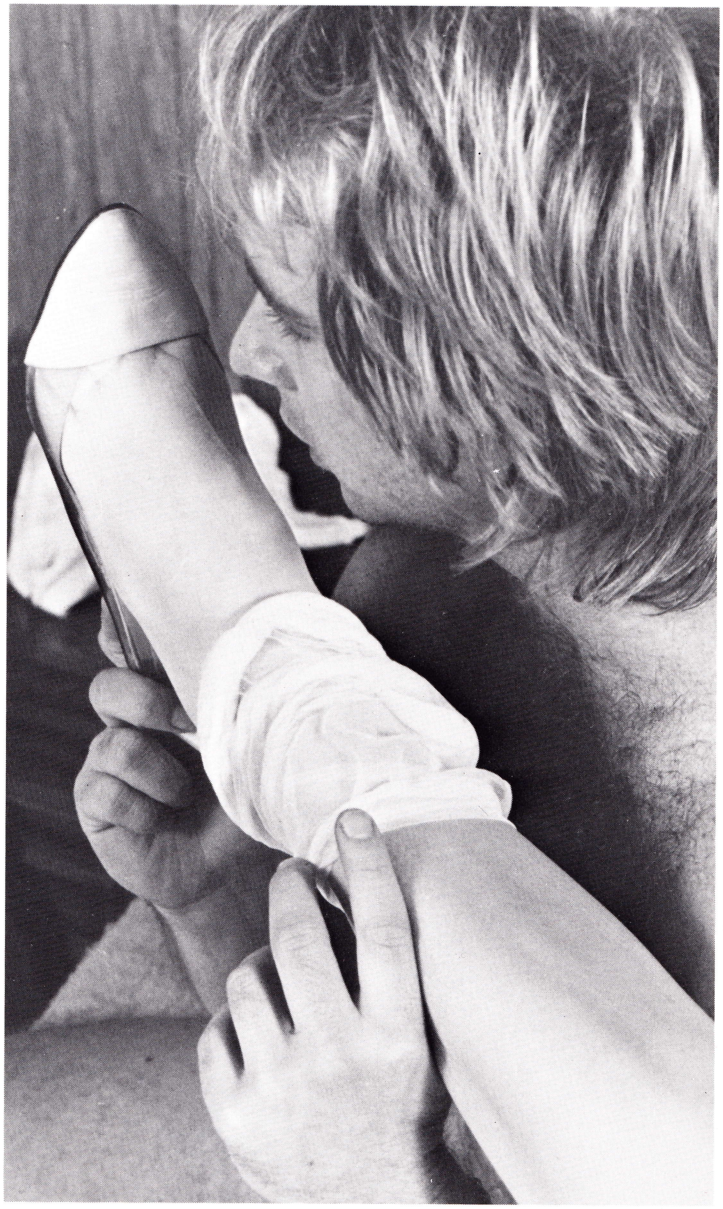
All models are professional and over 18—proof on file. Use of force not advocated.



'Shoes & Stockings'

Doing my lady's feet is a special pleasure for me. She nearly always has something exciting on her pretty peds, knowing how happy I am to service her.

With a new pair of shoes and stockings on, she struts around the house sexily, teasing me to the brink of orgasm.

Getting naked, we lay on the bed. Wearing her garter, stockings and shoes and nothing else, she offers me her tootsies.

Finally they are mine to play with, to caress, to suck and kiss.

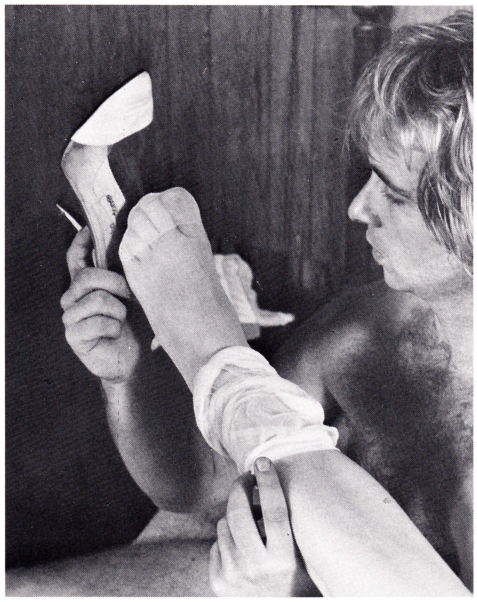
Taking the shoe in hand, I lick the delicious leather. Tasting it with the tip of my tongue, soon I use my lips as well.

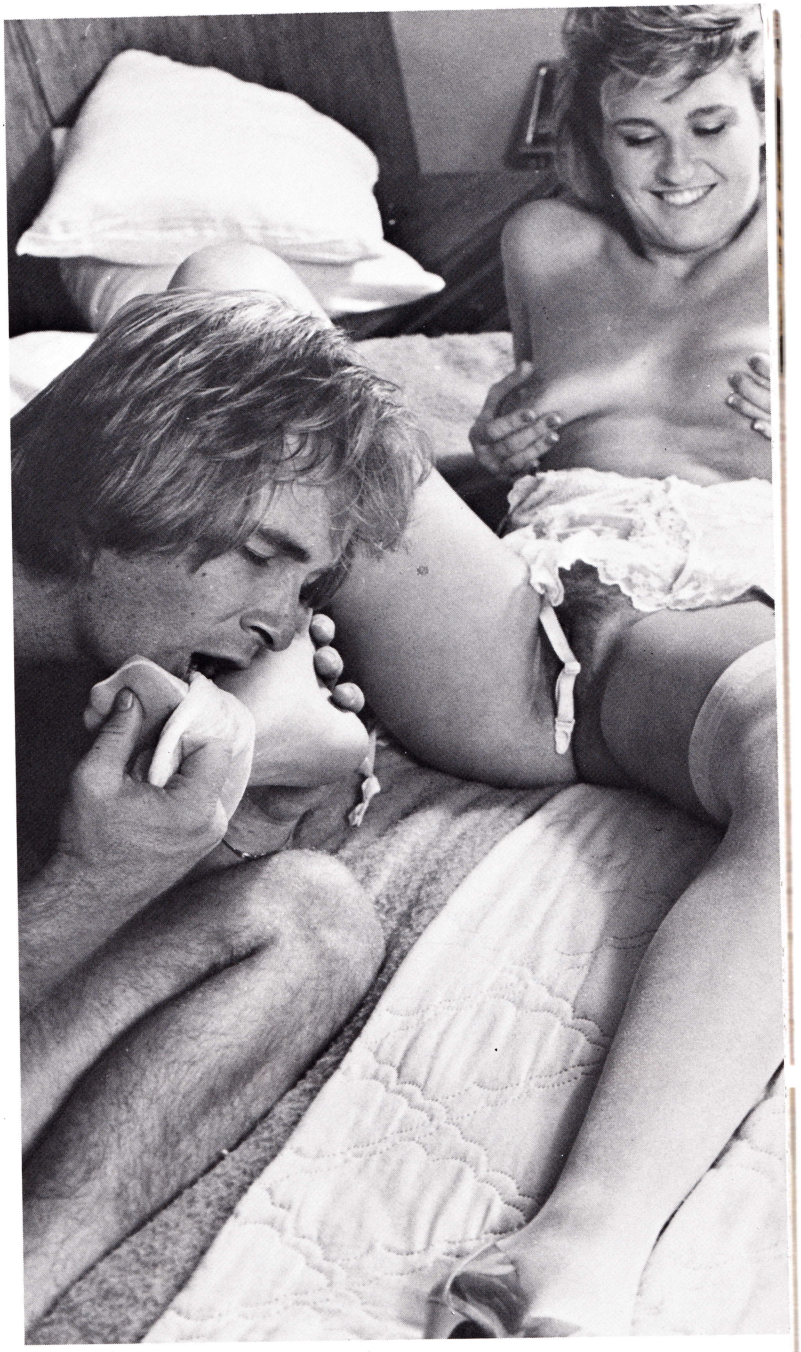
Slipping the shoe off, I kiss her sole right through the stocking. Squirming from the sensation, she tosses her head back and forth.

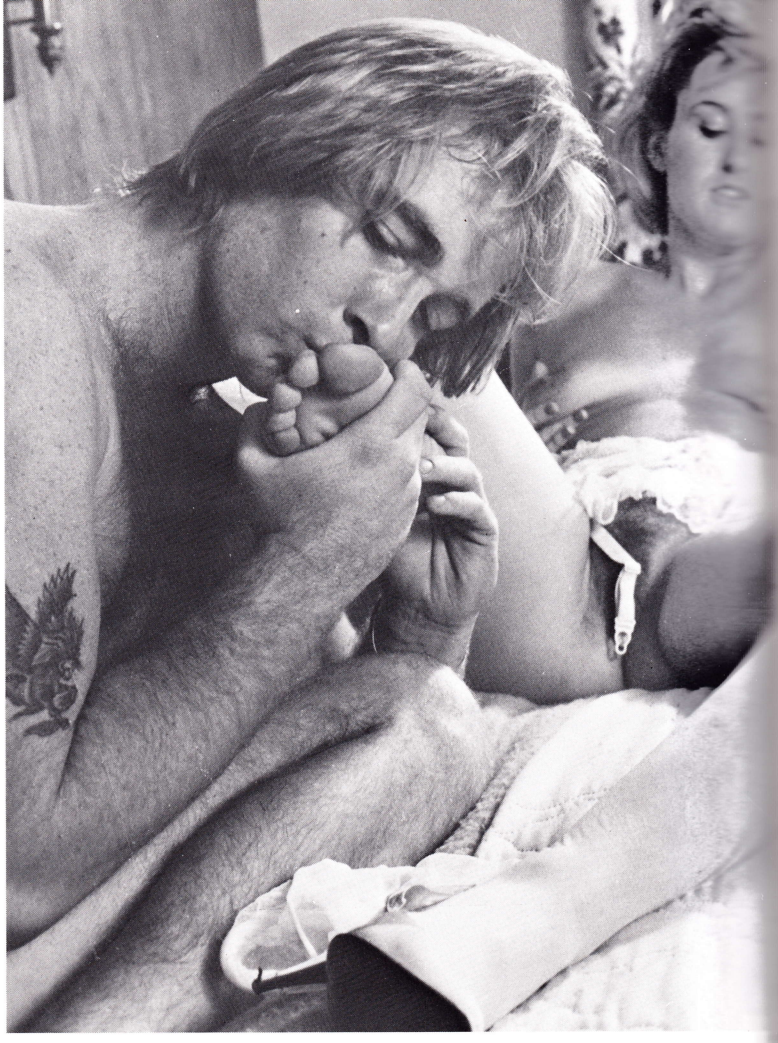
Rolling the stocking down and off, I plant big wet kisses on her peds, enjoying their flexing.

Soon her tootsies are wet with kisses and I plunge a big toe in my mouth.

There's just nothing like some hot foot play to get you in the mood for sex!







Very Important Feet

We get a lot of mail from our loyal readers. If there's one subject that fascinates them as much as female feet, it has to be FAMOUS (or a little bit famous), female feet!

To this end, we are proud to present the pretty peds of Morgan Fairchild, former Miss America Vanessa Williams, Mary Crosby, Kirstie Alley and Amanda Plummer!

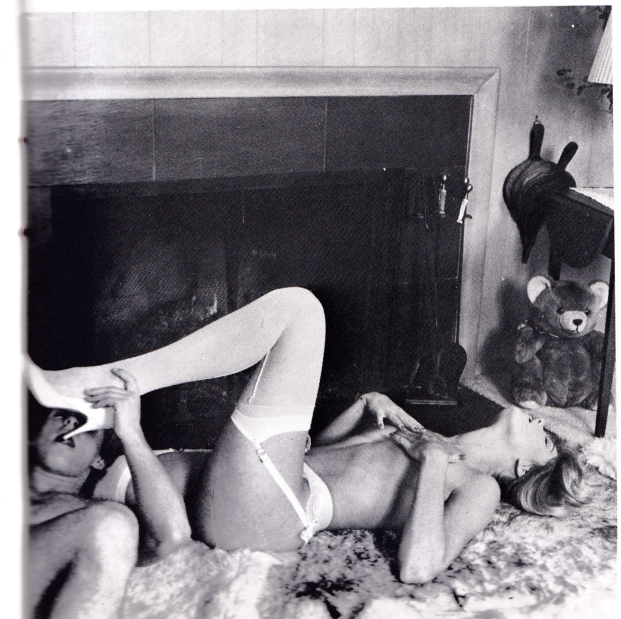
THE SHOE MAN

by
Jonny M. Duffy

As long as I can remember, I've been interested in women's feet. When I was a child, my mother had a foot problem and had to soak her feet a lot. I would often massage her feet and dry them off for her. So it was only natural that I eventually found work in a shoe store. The sweaty feet of construction workers didn't turn me on. But they spent the most money and all the guys vied with each other to wait on them. Enjoying the female foot (and all the many types of shoe that goes on it), I would hang out by the women's side of the store and pounce on the good-looking chicks as they sat down waiting for service.

Giving service to a beautiful woman's feet was something that came *more* than natural to me.

When the tall stacked brunette wandered into the store during the season's first good rain storm, I was right there. Watching her examine several shoes on display, I walked over and greeted her.



"I'd like to see these high heel boots in a seven and a half."

Fetching the boots from the stock area, I eagerly sat on the salesman's stool in front of her. The brunette stuck out a shapely leg and glanced discreetly up her dress. She was wearing hot pink lace panties and they had no crotch! In between the lacy gates of panty cloth, I could see a tuft of dark brown pubic hair and the pouty lips of her pussy. I fumbled with the straps on her muddy brown shoes. She was wearing fine mesh knit stockings and I felt her warm shapely leg and foot in my hands. Out of some forgotten instinct, I began to massage her foot and continued to stare at her exposed crotch.

"That feels good," she whispered.

Running one hand up her calf, I pulled gently on each toe. Then I slipped on the shiny black boot and pulled it up on her foot. Zipping up both boots, I slid back on the stool and let her try them out. She walked with the grace of a gazelle, strutting her new boots in front of the mirror. She turned and faced me.

"These will do nicely," she said. "If they get muddy on the way home would there be some way you could come over and

clean them for me? I'm a very busy woman and don't have the time to do it myself."

Falling all over myself to volunteer for the job, I was sweating heavily as she pressed her driver's license into my hand.

"You'll need ID for my check, won't you?"

Ringing up the sale, I jotted down the address. My goddess' name was Elvira Newhart. Work dragged by and when I clocked out I tore out of there and drove straight over to Elvira's.

Opening the door, she let me in. I could hardly believe the way she was dressed. She had a half bra made of black lace that held up her tits but left the nipples and the tops of her boobs bare. A black garter holding up her fishnet stockings was the only other thing she wore. Elvira sat in a straight backed chair and barked at me.

"Get down on your knees like a good shoe man and lick my feet."

Collapsing to my knees, I crawled over and gently took a stockinged foot in my hands. Licking the toes through the fishnet, I rubbed the sole of her foot with my hands. Elvira snapped open her garter straps and told me to pull her stockings off.

Rolling the stockings down each shapely leg, I noticed her eyes were closed and her breathing was getting heavy. She opened her legs when I finished and I could see her cunt spread out for me.

"Look but don't touch," she said.

Sucking each toe into my mouth, I tasted her salty sweat and enjoyed the view. Her feet were soft and warm and I could feel them get warmer as I massaged them.

"Enough! Put my new boots on."

Pulling the boots onto her feet, I noticed they were already scuffed and muddy.

"Polish them with your tongue, starting with the soles!"

Elvira lifted a booted foot toward my face. I jabbed out my tongue and cleaned the sole of the shoe. It was a dirty task, but holding her foot in my hands made me feel useful and good. The lady needed a service and I was providing it. My cock was pressing against my pants as I washed over the top of her boot and went to work on the other one. Feeling satisfied and fulfilled as I held her boot, I knew that Elvira was enjoying my efforts as a human shoeshine.

"Enough," she said at last. "My feet have become damp inside my boots. I want you to wash them with your mouth and then dry them with this. . . ."

Florishing a silk scarf, she kicked off the now shiny boots. Taking each foot in turn, I licked the soles with firm tongue strokes so as not to tickle her and then more gently licked the tops of her feet. The toes needed work between them so I stuck my tongue in each of the four cracks and made sure that all the sweat and dirt was gone. Taking the scarf, I wiped each toe dry and rubbed the entire foot. Then I went to work on the other foot.

Elvira was about to come. Putting her big toe in my mouth, I then got the other foot's big toe in. Sucking frantically, I watched as she bucked her pelvis off the chair. Her fingers dug into my scalp.

Falling back in the chair, she spoke.

"You're a good shoe man. You must come and do my feet for me again. . . ."

Telling her that I could come over as often as she desired, Elvira agreed to let me. Just before she showed me out, she took me into her bedroom. She had a walk-in closet with over fifty pairs of shoes; boots, heels, sandals, tennis shoes (some of which were in really raunchy condition) and a variety of dress up shoes. She even had a pair of stark white nurse's shoes that she said she would wear for me if I was especially cooperative.

All the way home I kept thinking about Elvira. Working in the shoe store had been the right choice for me. It can be a step up the ladder of life.

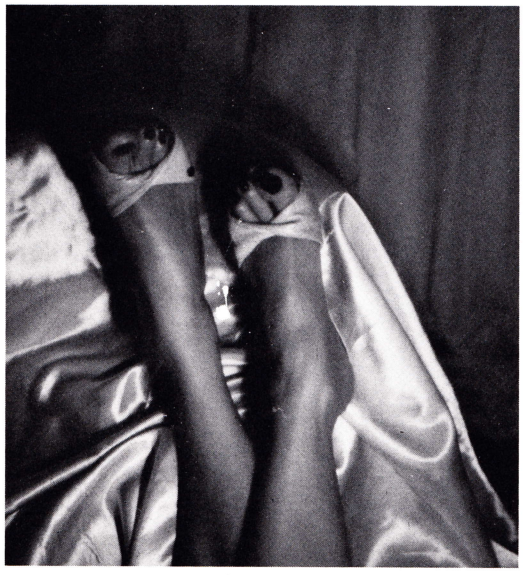
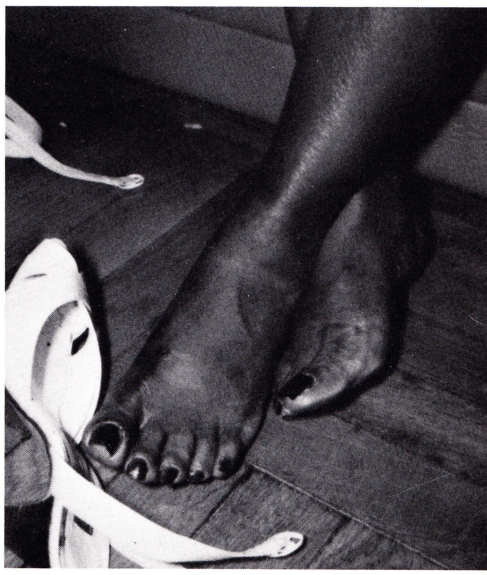
Loyal footmen and women the world over send us some very interesting mail. Many times when we open our mailbox we are delightfully surprised with reader photographs and drawings. Foot folks are sharing people, wanting to express their fantasies for all to see.

We're happy to present a sampling of some of the best submissions on this page. If you'd like to contribute to the cause, send your art work and ped photos to PLATINUM, 4521-A, Van Nuys Blvd., Ste. 215, Sherman Oaks, CA 91403. We'll publish the best of them right here in future issues.





"M'Lady's New Shoes"

Whenever Darla buys a new pair of shoes for herself I get excited. There's nothing like the aroma of fresh leather coupled with the earthy odor of her heavenly peds.

Knealing down before her, I take her foot in hand.

"Oh, Darla, these are so sexy!"

Seeing her toes wiggle in the open-toed pump, I know she's getting turned on, too. Sticking my tongue out, I sample her shoe. Tasting the leather makes my pussy twitch. Running my tongue up and down the length of the pump, I make the leather glisten.

"Slip them off, honey," Darla tells me. "You'll want a sniff of the insides by now. . . ."

Taking the shoe off, I inhale the delicious mixture of new leather and stockinged ped.

"Oh, Darla! I love the smell of your shoes. Let me kiss your stocking!"

Dangling her ped in front of me, Darla urged me to bite her big toe. Sinking my teeth into it, I then licked her stockinged sole.

Nestling Darla's tootsie in my cleavage, I gave her shoe a last whiff.

"That feels so good," Darla whispered, putting both feet on my tits.

Slowly, I took off her stockings, baring her lovely peds. Giving each toe individual attention, I sawed my tongue between them and nipped gently. Moaning, Darla rocked her head back and forth, enraptured.

Knowing she enjoyed my cleavage, I nestled a foot there again, still licking, kissing and sucking the toe.

"Lick faster! Put some force into it! Ahh, AHH!" Darla thrashed about on the sofa, close to orgasm.

I lay back on the floor still holding onto a luscious ped. Standing, Darla looked down at me and urged me to finish her off.

Wildly, I flicked my tongue against her ped, covering it with wet kisses. Frigging her clit, Darla came, screaming out her pleasure.

It's sessions like this that make shoe purchases a major event in our household!

"Doing Her Peds"

Making love to my lover's feet is an activity that turns us both on. Taking her boot in hand, I use the sole to masturbate my pussy with.

The hard sole makes my clit equally hard and soon I am very wet and panting.

All the while, she is playing with her luscious boobs and urging me to "frig myself harder."

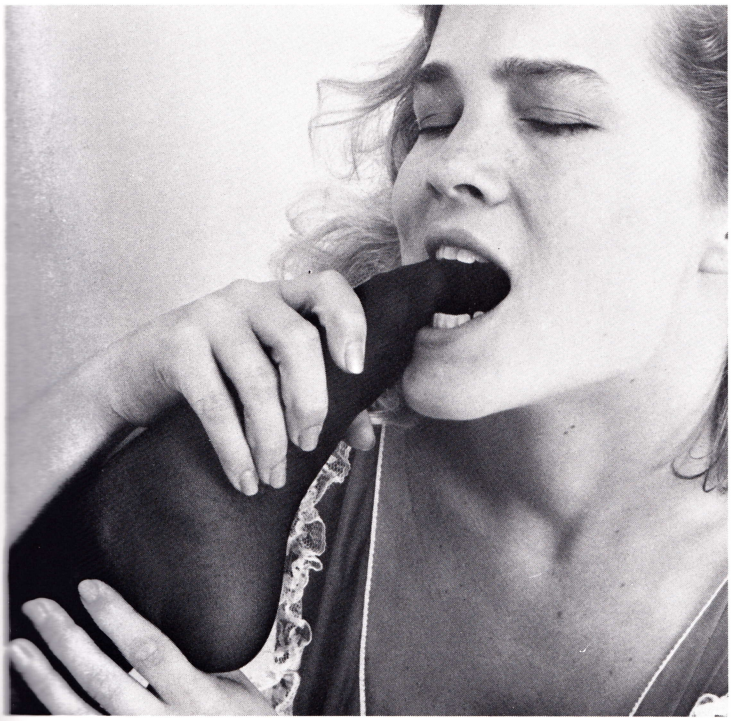
As I come from the boot action, I slip off the shoes and go to work on her stockings.

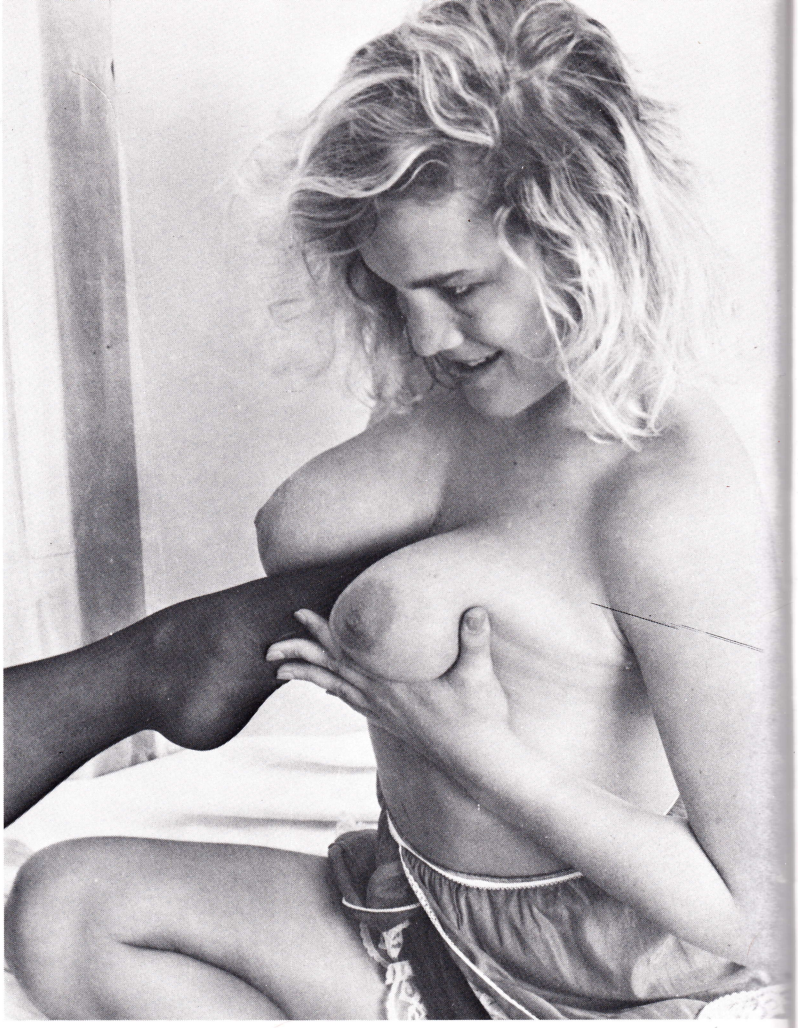
Nestling a stockinged ped in my creamy cleavage, I slide it in and out like a cock.

Kissing and licking her feet, I make her ready for some hot lesbian sex.

Soon we make it, still paying special attention to one another's peds.

Footplay is our foreplay, but often it's the main dish as well!





FOOT BALLING!

FOOT MISTRESS (VC 403)

The glamorous Gabriella is the dom putting a male slave through his paces, licking and tongue sucking her boots to shine properly. But in a twist we find she is still learning from her own lady Mistress and must do *to* her, whatever is done *for* her . . . plus.

FOOT TICKLE/WORSHIPPERS (VC 224)

In the "Tickling Sorority" two coeds gather before the pledge mistress. Their feet in pillories, pink feathers play with their tender peds and juicy pussies. In part II a wimpy salesman finds himself standing before a leather clad dom, her large tits jutting out and told to lick her tanned feet, thighs and. . . .

"Tied Tootsie Treasure Chest"

Foot worship takes many and varied forms. From simple admiration from afar to clipping photographs of famous feet from magazines to licking, kissing and sucking the objects of desire, foot lovers are inventive folks.

Masturbation with the feet (A toe job? Deep foot?) is also popular. Some foot worship fans get into the dominant and submissive side of ped play. Here the feet are tightly bound and tortured with cruel feathers or devious tongues.

Restraining the feet somehow makes them more helpless, liberating them from all inhibitions.

Some experts feel there is a masochist root in foot worship because the man lavishes love and attention on what is considered by society at large to be a "dirty" part of the female body. While this explanation doesn't take into account two-way foot worship between couples it offers insight into foot bondage and tootsie torture.

Whatever the reasons, it is only natural that foot worship, like sex in general, takes on all aspects of pleasure—and pain. Therefore, we present these photos of the rougher side of ped pleasures for your enlightenment.

FOOT LOOSE (VC 212)

Take a collection of foot classic films, mix with new material shot especially for this video, and you have FOOT LOOSE—probably the best foot video ever!

FOOT LOOSE contains the classic loops, *Foot Slave, Hot Feet, Tickle Torment* and *Foot Man,* the films that every serious collector must have—and with the addition of *Tickled Pink,* a totally new story, FOOT LOOSE has it all: The best of the past as well as the best of today. No matter how you like your feet, you'll be satisfied with this one!

"Boot Lickin' "

Putting my slave Don through his paces gives me great amusement. One of the ways I assert my dominance over this lowly worm is to make him worship my feet.

With whip in hand I lower my booted foot onto his worshipful face.

"Lick the sole," I command him. "Make it completely clean!"

So saying, I stick my spike heel down his throat. Then I make him tongue wash the tops of my boots. I like my boots to shine and Don's tongue is the best method of achieving this! Watching him go to work, I feel a mounting excitement in my pussy.

Finally, I strip, making Don remove my boots.

"Use your teeth to take off my nylons," I tell him. Seeing him struggle with my stockings, I finger my nipples.

Eventually my feet are bare and I make Don lick and suck my painted toes. Being a tickle fan, I hand him a huge plume and order him to tickle me. Lashing my peds with the feather, Don does a good job of it, making me squirm.

It is sessions like these that preserve my mistress-slave relationship with Don. Somehow, though, I suspect he enjoys worshipping my feet.
